

## **Appendix 2**

### **ABOUT SAFETY AND INSTRUCTIONS ON THE RULES OF THE GAME**

#### **Rules for using a paintball marker (hereinafter referred to as a marker)**

The marker can only be used within the playing field during the game. Outside the court and in the common area, players are required to cover marker's barrel with a barrel cover.

The markers are passed to the players in a pre-configured and verified state by the organizer. Paintballs released by the markers should not move at a speed of more than 300 foot per second (ft/sec).

Markers with default settings work in semi-automatic mode. When the trigger is pulled, the marker shoots only one ball. It is forbidden to change the marker settings yourself.

It is allowed to use paintballs sold/provided exclusively by the organizer for the game. Players are prohibited from using paintballs taken from the ground.

#### **General rules of the playing field**

1. If a paintball hits you and breaks, you are out of the game.
2. Raising the marker in the air means that you are out of the game.
3. It is not allowed to shoot with closed eyes. Shooting from cover without looking can harm other players, the team and the audience.
4. If the referee stops the game, please lower your marker and wait for further instructions.
5. It is forbidden to shoot at a player at a distance of less than 3 meters.
6. Do not shoot players after they have been declared out of the game.
7. Players must wear a protective mask throughout the game.

#### **The relationship between referees and players**

Players and referees should make every effort to maintain an atmosphere of mutual respect, healthy competition and sports company during the game.

The game is played by referees attracted by the organizer, who are also an authorized representative of the organizer.

During the game, the decisions of the referees are mandatory for the players, who have the right to withdraw players from the field or from the entire territory at their discretion.

The referee has the right to stop the game if the players do not obey their instructions or maliciously violate the rules of the game.

#### **Age restriction and contraindications for health**

You must be at least 14 years old to participate in the game. Participation of all minors in the game is allowed only with the written consent of a parent or legal representative.

It is strictly forbidden to take part in the game while intoxicated, under the influence of alcohol, narcotic intoxication or psychotropic substances. Each participant himself bears the risk of harm to his health during the game. The player must immediately stop participating in the game if he feels that the conditions of the game are dangerous to his health.

### **Equipment and accessories**

Players are required to use the outfits and accessories provided to them with care and make reasonable efforts to protect them from damage.

Damage caused as a result of negligent attitude to clothing and accessories or intentionally entails liability in accordance with the procedure established by the legislation of the Republic of Armenia.
